

KC CHEER CHEER ABILITIES PROGRAM

2023-24 PROGRAM INFORMATION

Welcome to KC Cheer! We are excited to begin a new season with Firecrackers. This is our 5th season with our Cheer Abilities team at KC Cheer. The goal of this program is to provide athletic training to children and adults with intellectual and physical disabilities. KC Cheer strives to create a program that gives athletes with special needs the opportunity to develop physical fitness, self-esteem and determination, while experiencing the joy of participating in the social aspects of friendship and teamwork in a safe and encouraging environment. Below are the details of the program for the 2023-24 season.

Team practices will begin on September 18th. Practice will be every Monday at 4:30 p.m. for 45 minutes. Athletes will receive a gym t-shirt and drawstring bag at their first practice. There is no monthly tuition. All team members must have an account set up through our Jackrabbit Portal.

FEES & REQUIREMENTS

Booster Club Fee: There will be a one-time Booster Club fee of \$75 per athlete. This fee will allow you to become a member of the Booster Club. \$50 of this fee will be put toward the purchase of the competition uniform, \$15 for the competition hair bow and \$10 for the end-of-season celebration. Booster Club members have the opportunity to fundraise for additional expenses through the season. Your membership will also allow your KC Cheer gym families to fundraise on your behalf to offset additional uniform & music fees.

Music Fee: The music fee is estimated at \$400 for the team. This fee will be divided evenly among team members. The more team members we have, the lower the fee, but right now we estimate the music fee to be around \$50 per athlete.
