

Team Flawless Super Bowl Squares 50/50 Fundraiser

**Team Flawless Invites YOU to participate in our Summit Super Bowl Squares 50/50
Fundraiser!**

Contact any Flawless athlete to purchase squares for \$5/each through February 4th.

Winners decided based upon a random draw and the Chiefs vs. 49ers scoring. Multiple chances to win!

Thank you for your support!

Team Flawless Super Bowl Squares 50/50 Fundraiser

How to Fundraise

1. Athlete sells squares for \$5/square.
2. Collect money up front - cash or check to KC Cheer Booster Club.
3. Write buyer **first and last name** AND **cell #** in the selected square(s).
4. Turn in all forms and money to Lindsey McDonald at KC Cheer practices on Tuesday, February 4th.
5. Winners will be picked on February 4th based on the rules below.
6. Athlete will received their winner envelopes and will deliver to their winners.
7. You can sell squares on the day of the Super Bowl (and until turn-in) as winners can't be determined until numbers are drawn. The more squares you sell, the more you raise and the higher the winnings for your participants.
8. Athlete funds raised will go to their Booster Club account and can be used for Summit practice wear and admin fees. This amount in the past has totaled around \$200. Any monies raised beyond this will remain in your Booster Club account to be used for eligible expenses (Booster Club fees, additional end of season banquet tickets, etc).

How the Game Works

1. When you turn in forms on February 4th, we will randomly pick numbers from 0-9 for each team and assign that number to the row and column. These numbers represent the last number in the score of each team. In other words, if the score is Chiefs 17 – 49ers 14, then the winning square is the one with an Chiefs number of 7, and an 49ers number of 4.
2. Winning amounts based on number of squares sold. If a winning square is unsold, the funds will roll over to the next level.
 - End of 1st, 2nd, 3rd Quarter: 10%
 - End of Game: 20%
 - Payout to Fundraiser: 50%
